AVIATION

Bombardier Challenger 604 Captain

Location: Oxford, United Kingdom

Employment Type: Permanent / Contractor (shift patterns available)

Department: Flight Operations

Reporting to: Chief Fixed Wing Pilot

Aircraft Type: Bombardier Challenger 604

Licence Accepted: UK CAA / EASA / FAA (validation subject to regulatory requirements)

Overview

Volare Aviation is seeking experienced and highly professional Captains to join our Challenger 604 fleet. This is an opportunity to operate within a well-established UK AOC, supporting global corporate operations to the highest standards of safety, compliance, and customer service.

Requirements

Minimum Requirements

- Valid UK CAA, EASA or FAA ATPL (or equivalent)
- Current Class 1 Medical
- Right to live and work in the United Kingdom (essential)
- Minimum 2,500 hours total time
- Minimum 1000 hours Pilot in Command
- Minimum 500 hours multi-engine jet
- Command experience on multi-engine jet aircraft

Desirable Skills & Experience

- Previous Challenger 604 type rating and command experience
- Recent long-range / international corporate aviation experience
- 2-crew, high-level customer environment exposure

To apply, please send your CV and a cover letter to **careers@volareaviation.co.uk**.
